A Memo From The Principal

On Friday October 11th, staff will have another PD Day. We are busy learning to use our new student information system, WYSAX. Stay tuned on this as soon we hope to roll it out to our students and parents. In the meantime, I will post the Newsletter on Remind (for those parents that are still on the app) and email it home to all the parents, until WYSAX is up and running.

Christmas Program

Mark your calendars for Dec. 19 at Clymont Hall for our Christmas program!

Reading tip for the month.

Make books special

Turn reading into something special. Take your kids to the library, help them get their own library card, read with them, and buy them books as gifts. Have a favorite place for books in your home or, even better, put books everywhere.

Psalm 107:1

O give thanks unto the LORD, for he is good: for his mercy endureth forever.
